

Annual Report 2019 - Director of Music Ministries

From Dr. Paul Cienniwa

The Music Program at St. Paul's provides an opportunity for members of our parish and the larger community to use their musical gifts to the glory of God. While our choral and instrumental ensembles enjoy much fun and laughter, we ultimately see musical expression as a contemplative practice requiring dedication and discipline. None of this would be possible without the support of St. Paul's membership, vestry, staff, and clergy.
